Suite 100
Pittsburgh, PA 15215

To Whom It May Concern:

BAE Systems would like to take this opportunity to extend an invitation to your company to participate in a raffle benefiting the **Wounded Warrior Project**. With the motto of "We Protect Those Who Protect Us" BAE Systems has been leading the charge on supporting our warriors both on and off of the battlefield.

Wounded Warrior Project began when several individuals took small, inspired actions to help others in need. One night, while watching the evening news, a group of veterans and brothers were moved by the difficult stories of the first wounded service members returning home from Afghanistan and Iraq. They realized that something should be done for these brave individuals beyond the brass bands and ticker tape parades. Many of you may know of someone personally, or through a friend or co-worker who has been helped by the Wounded Warrior Project. At BAE Systems we not only know many of these brave men and women but we actively recruit and hire many of them.

Sponsored by BAE Systems in Pittsburgh, PA, the raffle is our continued effort to raise funds for our brave men and women and their families. BAE Systems and its employees rely on other companies in the business community to support this charitable initiative by contributing donations. **The Raffle is scheduled for Friday, June 10th, 2011, at Birdsfoot Golf Course (www.birdsfoot.com), Freeport, PA., with a start time of 8:00pm.**

We hope that you can help support this great charity and we look forward to seeing you on the golf course.

Please forward your charitable contribution(s), by June 1st, 2011 to:
